EXAMINERS COMMENT

REPRINT AND REMAIL OF NOTICE OF ALLOWANCE

Applicant's representative contacted the Examiner of record on 1/24/2007 requesting the status of the instant application. Upon review it is noted that the Examiner Allowed the case and the Allowance was entered into PALM on 11/13/2006, however said allowance is not currently (as of this communication) scanned into eDAN. Since neither the electronic system (eDAN) nor Applicant themselves have received a copy of the Notice of Allowance, said previous Notice of Allowability is hereby withdrawn and the instant Notice of Allowability is substituted in its stead.

REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: Applicant's remarks and amended claims received 11/02/2006 have been reviewed and are persuasive. Accordingly said remarks are incorporated herein as reasons for allowance. Again, none of the art of record anticipates or makes obvious the precise and explicit manner of construction and/or orientation of the thimble screw itself as well as the coolant collision portion set forth in claims 4, 6 and 9 and under further consideration Danielson does not appear to address the same particular problem with which applicant is concerned, i.e. a thimble screw of a control rod.
2. This statement is not intended to necessarily state all the reasons for allowance or all the details why the claims are allowed and has not been written to specifically or impliedly state that all the reasons for allowance are set forth (MPEP 1302.14).

Art Unit: 3694

3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

4. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Daniel L. Greene Jr. whose telephone number is (571) 272-6876. The examiner can normally be reached on Mon-Fri 8:30am - 5pm.
